Suresh Gyan Vihar University (October 08, 2021 - Present)
BCA, Computer Application

Basant Inter College (March 15, 2019 - April 28, 2021)
12th

PROJECTS

Cafe Website

Technologies Used: HTML, CSS, JavaScript.

The Practice Cafe Website is a project I undertook to refine my web development skills. While it doesn't represent a real cafe, it allowed me to practice designing and building a functional website from scratch.

Music Player

Technologies Used: HTML, CSS, JavaScript

The Music Player Website is a straightforward web application designed for playing music tracks. It serves as a practical project to showcase my front-end web development skills. User-friendly interface with play and pause functionality.

VOLUNTEER EXPERIENCE

Member of Smile Community

Joint Secretary

As Joint Secretary at Smile Community, I have been an active participant in the organization's mission to provide financial support for orphaned children in need. Our work involves raising funds and resources to ensure these children receive the care and opportunities they deserve.
